Subject: **Priority Chains to be added to AIM database**

Listed below are the Chain Divisions that have not sent the "AIM Chain data priority list" information requested in FSC-151-A dated March 31, 1994. Please note that we have requested that this information be completed using the Excel spreadsheet document that was sent in conjunction with the original letter.

To facilitate your complying with this request we are again sending the Excel spreadsheet file with this letter via E-mail. Please refer to the original letter for proper handling (also being sent to you with this E-mail). This information is very important for further development of the AIM data base and is needed by June 1, 1994.

Thank you for your follow through. If anyone listed below has recently sent in their information, please disregard. If you are not sure whether you have complied, please call us to insure that we have received the information. Please contact Steve Qualkinbush (ext. 0686), Marc Kruth (ext. 0688), or Stephanie Fields (ext. 7742) with any questions.
